

Hi FunZone Families!

You may have heard that Beaches Chapel services are cancelled, but the good news is that church is NOT! It's important during these chaotic times to find the silver linings, which is why we are using this as an opportunity to bring our children's ministry straight to your home (via the internet, of course!) and provide you with the resources to study the word of God together with your children!

Each week while we are unable to physically attend church, we will provide you with video resources, a parent guided lesson sheet, and activities to do together as a family. In addition, we will be posting videos and activities, when possible, on the children's ministry's Instagram account, so please follow us at BeachesChapel_FunZone for additional resources. We are so excited for our church families to have this opportunity to spend this time together sharing and discussing God's word.

We hope that you and your family are staying safe and healthy and please do not hesitate to reach out to any of us at Beaches Chapel if you need anything. Finally, I want to leave you with a verse that feels fitting for these challenging times.

And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

-Philippians 4:7

God bless!
